27 to 29 November 2009 - Montreal, Canada

Jenna Randall stepped up her game in the Free Solo at the FINA World Trophy in Montreal as she secured some of her highest marks to take fifth place overall. Commonwealth Silver medallist, Randall, has been one of Great Britain's strongest synchronised swimmers for over four years and showed her improved synchro skills on the world stage.

British Gas athlete Randall was competing against Olympic silver medallist Andrea Fuentes and World Champion Natalia Ishchenko and put any nerves she had behind her as she took to the platform with confidence

Randall showed strength and power in the water and as her routine finished she scored some her highest marks of her career. Her scores ranged between 9.2 – 9.3 and a total of 93.000 to give her fifth place.
